**\*7028** total deaths have been registered. The above list includes all **6747** names of those killed, accounted for through registered IDs. It does not include the **281** names of those whose IDs are unknown as of October 26, 2023.

*It is important to also recognize that the 7028 total reflects the number of registered deaths, and sadly does not include the number of people who remain unaccounted for:*

1. Those who died under the rubble
2. Those who were buried without being brought to the hospitals
3. Those who could not be processed/registered by the hospitals
