

Ramadan **ACTION PLAN**

A DAILY PLANNER AND GUIDE FOR ALL AGES!

*Make this your
best Ramadan yet!*

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

IN THE NAME OF ALLAH, THE MOST GRACIOUS, THE MOST MERCIFUL

All thanks and praise is due to Allah alone, the Lord of the Worlds. We praise Him, seek refuge with Him, and seek His forgiveness. We seek refuge with Allah from the evils of our souls, and the mistakes in our actions. Whomever Allah Guides, there is none who can misguide him, and whoever Allah misguides, there is none who can guide him. Verily, there is none worthy of being worshipped except Allah, and Muhammad (Peace be upon him) is His servant and Messenger.

Allah (subhanahu wa ta'ala) reminds us in the Qur'an that the month of Ramadan contains limited precious days — with an extraordinary opportunity to reach out and connect to Him. He tells us of this powerfully,

All the actions of people are for them, except for fasting. Fasting is for Me and it is I who rewards it.

Hence the purpose of this month is Allah — and Allah (swt) alone. Fasting is a means to attain nearness to Him. Keeping this in mind, we must make the most of these days. The best way to take advantage of Ramadan is to develop a Ramadan action plan — because a failure to plan is a plan for failure. If you don't set goals, it gets difficult to measure yourself and assess the current state of your worship. This planner will help you to make the most of your Ramadan and prepare you to maintain the spirit even after Ramadan! Remember, Ramadan gives you a special glimpse into who you can be every day.

In filling out the pages, do not forget to list your daily goals at the top of the page. To make the most use of this blessed month, try not to pile too many tasks into your schedule in hopes that you will fulfill it — but instead allocate time for each goal. Make sure you evaluate the intention and sincerity with which you are entering this holy month, for what we intend is what Allah (subhanahu wa ta'ala) rewards us for.

May Allah make this Ramadan beneficial, productive and rejuvenating for the body and soul. May He answer our prayers, accept our deeds, keep us steadfast and intellectually and spiritually revived until the next Ramadan.

Ameen.

Let's start planning!

THE *Ramadan* PLEDGE OF INTENTION

I, _____ (your name),

Solemnly make this pledge to my Lord and Cherisher, Allah the Almighty, seeking His assistance and acceptance. Every single action that I do will depend on the quality of my intention. Therefore, I testify that I will always purify and renew my intention and seek for His Forgiveness solely to earn His pleasures.

I promise I will not compare myself to anyone. I believe that everyone is at a different level and success is when I am better than I was yesterday. This Ramadan, I will bring myself to a better level by improving my character. I intend to always repent, forgive others, stop doing bad habits and replace it with good habits.

I agree to keep track of my daily action, to practice self-control, and to motivate myself to do more everyday with the right intention. I agree to continue doing with what I have learned and practiced this month after Ramadan. May Allah grant me guidance and strength to make this Ramadan productive.

May He make it easy for me to turn to Him completely and perpetually.

Ameen.

Long-term Goals

Short-term Goals

There has come to you Ramadan, a blessed month, which Allah, the Mighty and Sublime, has enjoined you to fast. In it the gates of heavens are opened and the gates of Hell are closed, and every devil is chained up. In it Allah has a night which is better than a thousand months; whoever is deprived of its goodness is indeed deprived.

Ramadan DAY 21

DAY | MONTH | DATE

TIP of the DAY

Reading Quran after Fajr is a great habit to develop; it builds discipline and spiritual endurance.

If one among you shows slackness and weakness (in the earlier part of Ramadan), it should not be allowed to prevail upon him in the last week.

The Prophet Muhammad (PBUH) / Muslim

TIP of the DAY

Sincerely asking Allah to help you wake up early for the purpose of worshipping him does wonders.

When the last ten nights (of Ramadan) would begin, the Messenger of Allah (sws) would keep awake at night (for prayer and devotion), awaken his family, and prepare himself to be more diligent in worship.
